

First Baptist Church of LaBelle  
Church Conference Meeting  
January 28, 2007

Church conference meeting called to order at 6:20 PM with Pastor Frank Deerey presiding.

Profit and Loss Statement for 2006 was presented. Pastor Frank explained the figures on the statement. No questions asked.

Budget for 2007 was presented. Frank Pastor went down each category and explained the new amounts for 2007. Ask for questions and there were none. Randy Daniels made motion to accept the new budget of \$407,677.00 and second by Paul Puletti. Motion carried.

Pastor Frank then explained that staff positions would be changing in the next year. Jeff Perry our Minister of Youth and Music has been led to the mission field. He will be with Operations Mobilization and will be serving in South Africa. Since we will be losing Jeff then we will need to replace his position. Pastor Frank explained that it will be hard to have one person do both positions and we will need a full time Music Minister and a full time Youth Minister. We need to start looking now to fill one of the positions before Jeff leaves. We will need two search committees for these positions. The committee will need to write a job description before we talk to an individual. Motion by Bobby Holland to start looking for a full time Youth and a full time Music Minister. When ask what position we would fill first, Pastor Frank said he wasn't sure at this time.

Pastor Frank said he was close in bringing a master plan to the church for our building program. He hopes to finalize the master plan on Thursday, February 2, 2007 and to bring the plan to the church within a month.

Meeting closed with prayer at 7:15.
